PART B: DRIVER PATH-TO-OWNERSHIP LEASE AGREEMENT

THIS AGREEMENT is made this _____ day of _____, 2026, **BETWEEN:**

1. **CLICKRIDEE CO. LTD.** (RC: 9547624), having its principal place of business in Abia State, Nigeria ("ClickRidee" or "the Company"), AND
2. **[DRIVER'S FULL NAME]** ("the Driver")

1. ASSIGNMENT & PURPOSE

The Company assigns one (1) **AION UT Smart Electric Vehicle** ("the Vehicle") to the Driver under a **Path-to-Ownership Lease Scheme** to provide transport services on the ClickRidee platform across designated Abia State routes.

2. COMMITMENT DEPOSIT & GTBANK ACCOUNT

- **Upfront Deposit:** The Driver agrees to pay a mandatory commitment deposit of **₦1,500,000** into ClickRidee's designated GTBank Escrow Account prior to vehicle handover.
- **GTBank Collection Account:** The Driver shall operate exclusively through a dedicated account named **ClickRidee Driver / [Driver's Name]** maintained at GTBank.

3. Operational Financial Baseline (Per vehicle Unit)

- **Average Daily Gross Revenue:** ~~~₦45,000~~ / day (~~~₦315,000~~ / week)
- **Daily Operating Costs (Charging, Platform Fee, Maintenance Reserve):** ~~~₦15,000~~ / day (~~~₦105,000~~ / week)
- **Net Daily Cash Flow Available for Allocation:** ~~~₦30,000~~ / day (~~~₦210,000~~ / week)

Driver Path-to-Ownership Repayment Terms

Under the **Path-to-Ownership Model**, the driver retains all daily earnings above the fixed weekly lease target.

- **Daily Revenue Target:** ~~₦45,000~~ / day
- **Mandatory Weekly Lease Repayment to ClickRidee:** ~~₦140,000~~ / week (swept automatically at ~~₦20,000~~ / day via GTBank)
- **Driver Retained Net Income:** ~~~₦115,000–₦175,000~~ / week (after daily charging and lease sweep)

4. VEHICLE MAINTENANCE, CHARGING & CARE

- **Charging Protocols:** The Driver agrees to charge the Vehicle exclusively at designated **ClickRidee Public Solar Charging Hubs**.
- **Maintenance:** Routine servicing and software telemetry updates shall be conducted strictly by ClickRidee-authorized technicians. The Driver shall not perform unauthorized repairs.

5. ASSET PROTECTION & TELEMETRY CONTROL

- **IoT Tracking:** The Vehicle is fitted with real-time GPS telemetry and remote immobilization technology.
- **Default & Recovery:** In the event of non-payment for more than **forty-eight (48) hours**, unauthorized route deviation outside Abia State, or violation of safety rules, ClickRidee reserves the right to remotely disable and repossess the Vehicle immediately without prior notice.
